SERVING WAYNE COUNTY OHIO SINCE 1972

SPECIAL EDITION

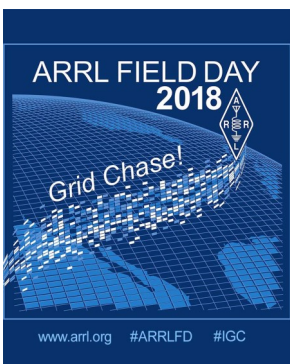

HAM OPERATORS NEEDED

Ham radio operators are needed to provide communications for the MOHICAN 100 MILE Run. The run starts at 5:00 am on Saturday, June 16, 2018, and ends in the afternoon of Sunday, June 17, 2018.

There are five aid stations that need operators. Only three of the five will be reporting runner status, “Do Not Finish” (DNF) runners and emergency situations. The remaining stations will only be reporting DNF’s and emergency situations.

If you can make yourself available at any time during this two day race, please contact Mike Brugger (N8CEY) at (330) 466-0114.

2018 • ARRL • FIELD DAY

The Wayne Amateur Radio Club will be participating in the 2018 ARRL Field Day. We will be setting up at the Comm Center at the corner of Burbank and Oldman roads in Wooster, Ohio. (look for the 200’ tower)

We will be operating in cooperation with the Wayne county EMA and will be classified a 1F station. That means we will have one HF rig and one VHF rig in operation.

Field day set-up activities will start at 9:00 am on Saturday, June 23, 2018, and tear-down will commence at 2:00 pm on Sunday, June 24, 2018.

Stop in and get on the air, visit, have a snack, or just say “Hi”.
