LOCKED OUT

They changed the locks and didn't let us know. We couldn't get into the communication center for our regular meeting on Thursday night so we had an informal meeting outside.

At that meeting, we decided to reschedule our regular meeting to Thursday, October 25, 2018, at 7:30 pm. Hopefully by then, we'll have the new keys.

EQUIPMENT FOR SALE

The following list of equipment is from my friend Neil - W8CD in Canton. When he says LIKE NEW condition, that is exactly so. I've never seen equipment so well taken care of.

Please contact Neil directly ... phone number at bottom of list.
